Dearest Sisters in the League,

Thank you for another wonderful CWL experience at 2010 National. Let's share it with others.

Find a young woman in your life and tell her about your experience at CWL National Convention and what you learned and accomplished together with other 'Women of Peace and Hope.' Then tell this young woman why you believe that she too is a Woman of Peace & Hope and invite her to a CWL event or meeting.

It is the first step! I joined the CWL 5 years ago at age 18 when the Edmonton Diocesan Council and Zone 9 League members reached out to the young women at my Parish.

Blessings,
